

'Bad Weather' Procedure

With the UK weather prone to being very changeable and new children joining the school this term, it would seem appropriate to remind you of the schools 'bad weather' procedure.

If a heavy snowfall happens overnight, radio stations that will be advised of closure are:

BBC Essex 103.5 fm and 95.3 fm

Essex FM 102.6 fm and 96.3 fm

Heart Radio 96.1 fm

They will broadcast lists of schools that are closed. This is the quickest way to find out, rather than trying to telephone the school.
